CAIRNS PREMIER Great Barrier Reef & Island Tours

Perry and Taryn have independently travelled the world and met in Cairns in 1992. Their combined passion for diving and the ocean led them to buy "Ocean Free" in 1995. "Ocean Freedom" - their 2nd vessel was launched in 2006. They still love, whenever they can, to take people snorkelling and diving. Jazz - their son has also inherited their enthusiasm for the ocean and reef. Perry and Taryn have an obsession for great personal service, are dedicated stewards of their permitted reef sites, passionate about sustainable and responsible tourism, and have over the years "hand-picked" the best crew available for unsurpassed service, professionalism and a high respect for safety. They view their crew as their best asset (and extended family!) and give their best to ensure that all guests will be well looked after regardless of their level of snorkelling or diving expertise.

FAMILY OWNED & OPERATED

Why *Sail* OCEAN FREE

- Outstanding customer service - **ONLY 25 GUESTS!**
- Responsible, sustainable tourism – pan industry leader protecting our reef sites for almost 30 years
- Extremely high **crew to guest ratio 1 : 6!**
- Learn about the reef and how to protect it with Marine Interpreters or Master Reef Guides
- Escape the crowds, Ocean Free has an exclusive reef mooring, where only our guests snorkel & dive
- Personal snorkel tours and dinghy transfers straight to the beach
- Snorkel just off the boat where the coral comes to just 1 metre under the surface for easy viewing
- A true sailing experience

Green Island is a truly tropical haven situated 26 km from Cairns on **The Great Barrier Reef**. Ocean Free sails you to **Pinnacle Reef**, an **exclusive reef site** located in the highly protected Marine Park zone just off Green Island offering excellent coral coverage and vibrant marine life. Its protected waters are the perfect location to discover the reef **snorkelling or scuba diving**. Experience the best of both worlds - the spectacular marine life on your private Great Barrier Reef site and then get taken straight to **Green Island beach** where you can explore the tropical island or just relax in the cool, crystal clear, shallow waters.

Relax, explore Green Island beach

Great food all day & complimentary wine on the sail home

Snorkel at any time just off the boat

Your Eco Friendly Tour Includes

- Danish Pastries, Fresh Fruit on boarding
- Coffee & Tea on boarding & at reef
- Private snorkelling tuition including in-water assistance if required
- Top quality snorkelling equipment (mask, fins and snorkel)
- Wet suits or lycra suits depending on season
- Buoyancy snorkel vests
- Snorkelling just off the boat at "Pinnacle Reef" - our exclusive snorkel & dive site
- Eco permitted fish feed

Exclusive

Snorkelling

Snorkelling is the perfect way to experience the Great Barrier Reef. Our friendly and professional crew will assist snorkellers of all abilities, including in-water assistance, to ensure everyone gets to experience this great activity!

Ocean Free will provide you with top quality snorkel equipment including comfy snorkel jackets, wetsuits/ lycra suits and prescription masks (please pre-book) - **all included in tour price!**

Our friendly crew really make the difference – their enthusiasm, and service ensure that every one of our guests have a memorable and safe Great Barrier Reef experience! They are all trained to a high level of reef interpretation some being Master Reef Guides.

From the word go, the crew were welcoming and promised a great day... they certainly delivered! I have been on heaps of tours and seen some pretty amazing things around the world, but this was without doubt one of the best experiences I have had.
